Mrs. Waldo Lathrop, of Canadaigus N. Y., to whom a daughter was born at a New London hospital two weeks ago, was able to leave the institution Friday. Mrs. Lathrop is the daugh-ter-in-law of Mrs. Daniel Sullivan of New London and a former resident of Stafford Springs.

BROADWAY BROTHERHOOD. Supt. Campbell and Lieut. Bliss Gave Two Instructive Talks.

The Broadway Congregational church Brotherhood held its third meeting of the season on Friday evening in the Sunday school room at the church, having an attendance of about 60 when the meeting was called to order at 8 o'clock by President Herbert W. Gal-lup. After the reading of the minutes, lup. After the reading of the minutes, Mr. Gallup announced that the programme of the meeting was in charge of the classes of A. A. Browning and W. T. Lane, and he called upon Mr.

rowning to conduct it. Mr. Browning introduced Supt. Hugh B Campbell of the Norwich tuberculosis sanatorium, who gave a very practical talk upon the subject of some essentials in the campaign against tuberculosis. He spoke of the success that can be shown from sana-terium treatment, but mentioned with deep regret that it had not been possible for the last legislature to grant the \$5,500 which would build additional isolation rooms at the Norwich sanatorium, which are one of its sorest

ce as a member in Rhode Island The evening concluded with an oyster stew supper with an accompaniment of doughnuts, cheese and grapes.

SHOWER SURPRISE. Miss Edna Maples, Who Is to Take Hospital Training.

The home of M. K. Sullivan, corner of Pine and Maple streets, was the scene of a happy gathering Wednes-day evening, when his daughter, Miss Elizabeth Sullivan, entertained a shower surprise for Miss Edna Maples of West Main street. The evening was delightfully spent with a programme of music and games. Piano solos by Miss Nellie S. Howie were greatly en-joyed. Frank T. Maples, as always, was the best ever, in several recita-tions. Miss Maples received many ovely gifts in the prettily arranged

Dainty refreshments were served by Miss Sullivan, assisted by Mrs. Mar-garet Tracy and Mrs. Walter Holden. The guests were 20 of the neighbors. who gathered to express best wishes to Miss Maples, who is soon to leave town for New York, where she is to Bellevue hospital for a course

OBITUARY.

Miss Sarah W. Hakes.

Miss Sarah W. Hakes died Tuesday vening at the home of her cousin, diss Clara Morse, of Forestville. The last illness was of several months' du ration, but she had been an invalid for three years. Miss Hakes was the daughter of Capt, Isaac Hakes and Mary Williams Hakes, who was a sister of the late Mrs. Charles L. Morse of Forestville. She was born in Nor-wich, but the greater part of her life was spent in Windsor, where after the death of her father and mother she made her home with her aunts, Miss Julia S. Williams and Mrs. Francis. For a number of years she taught in Hayden Hall, Miss Williams' school for girls. She was an unusually successful teacher, having a quiet strength that carried great influence with her pupils. For several years she studied in Germany, and the German language was her specialty. was her specialty.

Later she taught in the Windsor High school. Three years ago, following a breaking down in health, she went to Forestville and has made her home there with Miss Morse.

Miss Hakes was a devout member of Grace Episcopal church, Windsor. The funeral services were conducted by Rev. William Philip Downes, rec-tor of Trinity Episcopal parish, For-estville, Friday afternoon at 2.30 o'clock. Two of her favorite hymns were read by Mr. Downes. Burial will be in Yantic cemetery, Norwich, today (Saturday). Rev. Dr. F. W. Harriman, ector of Grace church, Windsor, will

Voted in New London-Mayor The

Appoints Dr. John T. Black.

(Special to The Bulletin)

New London ,Dec. 3 .- The action of

the city meeting two weeks ago at which it was voted to disapprove the city ordinance which provided for the

increase of the salary of the health officer from \$1,000 to \$3,000 did not end

that matter. At a special meeting of

the common council Friday night the whole business was gone over again and resulted in the passage of an or-

dinance fixing the salary at \$2,000, which was carried with 7 dissenting votes, a gain of one in opposition.

Mayor Rogers then appointed Dr. John

T. Black as health officer. The ordin-ance and the appointment were favor-

ed by Alderman Harrigan, formerly of

Norwich, and the other members of the health committee. Both were op-

ed questions that did not receive sat-

isfactory response from the commit-tee, Alderman Miner spoke for an hour against Dr. Black on the grounds

of his unfitness and lack of tact and his assumption of authority and also that he could not qualify under the

law, which plainly stated that the health officer must be a distinct per-son. It was also claimed that Dr.

Black was health officer when the or

dinance passed that ruised the salar and that under the city charter i

could not be done legally and be ap

plicable to the present incumbent.

Alderman Perkins also spoke in op-

position and declared that unless he could be shown within 15 days that this increase in salary carried with it a general consolidation of several kin-

dred offices such as city physician, in-spectors, and meant a decrease instead of an increase in the expenses of the

health department he would have an

other city meeting called and that this new proposition of increasing the sal-ary to \$2,000 would be defeated by even

ary to \$2,000 would be defeated by even a larger majority than was the ordin-ance that would have made the salary

HEALTH OFFICER

\$2,000 SALARY FOR

A. Call of Boston of the indus-bureau of the New Haven rail-

In conclusion he expressed the

plants to come here.

There is no doubt whatever that the Ition was made relative to rates in ureau system is the best of all systems, said Charles A. Pease, president of the State Chamber of Commerce, at the open meeting held in Buckingham Miss Myrtle McDonald of Norwich has been visiting her aunt, Mrs. John Francis, of Central Village.

The open meeting held in Buckingham Memorial on Friday evening by the New Britain light officials they got what they asked for. The Mercantile bureau was touched purpose of securing unity among the chamber members in the bureau work always had a collection department in purpose of securing unity among the chamber members in the bureau work recently started and which it is hoped will be of benefit to not only the Norwich Chamber of Commerce, but the city as well. The meeting was the first presided over by William A. Somers as president, to which office he was elevated at the annual meeting held last month.

President Somers called the gather-like book might possibly be gotten to-

President Somers called the gathering to order shortly after 8 o'clock and after the roll call of officers Secretary Charles W. Pearson read the report of the last meeting, which was accepted. The chairmen of the marcantile, state, new industries and agriculture bureaus reported progress. Organization meet-ings have been held and the bureaus are getting ready for a strenuous sea-

Under the head of new business Herbert R. Branche spoke of the na-tional rivers and harbors convention which is to be held at Washington, D. C., Dec. 7-10, and offered in nomination as delegate from the local body, the name of Vice President Joseph T. Cruttenden. The nomination stood and Mr. Cruttenden was declared elected as delegate.

Secretary Pearson approunced that

Secretary Pearson announced that any questions or matters which the members wish to bring to the attention of the bureaus should be addressed to

In introducing Charles A. Pease as the speaker of the evening Preesident

omers said: This meeting has been called for the purpose of uniting our members together in a work that I trust will be a benefit to our organization, and the city of Norwich. Your board of directors have been busy planning a campaign for this year. They have named five bureaus,

year.

each of 15 men for progress in affairs of interest, namely, civic, agriculture, transportation, real estate and mercanbeing a matter of new business and an important one, it necessarily needs an instructor. We have with us a gentleman from Hartford who is thoroughly acquainted with the bureau work of the Chamber of Commerce, and I take great pleasure in introducing to you the president of our State Chamber of Commerce, Charles A.

In taking the floor Mr. Pease said that he was very glad to be in Nor-wich and that the officers of the state chamber want to be of as much asistance to the organization as pos-

Regarding the bureaus of the Chamber of Commerce, which topic had been assigned him Mr. Pease said: There is no doubt whatever that it is the best of all systems. It certainly has a great many merits. Mr. Pease spoke of the amalgamation of the two civic bodies in Hartford, who chose as their name The Hartford Chamber of Commerce and said that the observer. merce and said that the chamber now has 1,500 members.

No bureau ought to push an idea of its own until it is sanctioned by the chamber, said Mr. Pease. Under An offer comes from one of the W. C. T. U. workers through the columns of the White Ribbon Banner that the five members who secure the most branch in which he has seen much service. The columns of the workers helween Dec probably be refused and then at some other time when your claims really merit attention you will probably lose them also. In this connection Mr. Pease spoke of the method followed in New Britain.

It was felt that the light rates there business session a buffet lunch was were too high. A thorough investigation served.

JUBILEE SINGERS FROM TUSKEGEE INSTITUTE Gave Programme at Central Baptist

Church-Voluntary Offering of \$57. Jubilee singers from Tuskegee nor mal and industrial institute of Ala-bama, which has been the life work of the late Dr. Booker T. Washington, were at the Central Baptist church on Friday evening, where they had an audience of about 500, who enjoyed the rogramme that the five singers gave and listened with interest to a descrip-tion of the work that is done there. At the close of the programme a vol

ntary offering that was taken up for uskegee amounted to \$57. Rev. Dr. J. B. Slocum, paster of the church, spoke a few words in intro-duction at the opening of the pro-gramme that was given by A. J. Neeley, manager and second tenor: Charles E. Clayton, second tenor: William J. Williams, first tenor: William P. Smith. baritone, and William Wiley, bass and reader. They are all Tuskegee grad-

uates. The programme consisted of the old fashioned plantation melodies, folk songs, dialect readings and the story of Tuskegee Institute. This has grown since 1381, Mr. Mc-feeley said, from a shanty and poulry house to the point where it now has 110 buildings, large and small 2,500 acres of land, an improved heating, lighting and water system, etc There are forty distinct trades and in-dustries taught to more than 2,000 students annually by a faculty of 200 teachers and workers—all of them ne-groes. The annual expenses of the in-stitute are \$275,000.

Fire in Car of Cotton. The firemen had a fight of about an hour on Friday morning about 7.30 o'clock in putting out the fire in a carload of cotton in the New Haven freight yard. The cotton was consigned to the Ponemah company. It was discovered on fire by a section man. The railroad company fire hose was

The jubilee singers are next going

used until the chemical companies from Main street and the West Side rrived and ran hose down from Laure Hill avenue. The superstructure of the car was considerably burned and the damage on the cotton will amount to several hundred dollars. Water Board Met.

Only routine business was transacted on Friday evening at the monthly meeting of the board of water commissioners held at the water office in the town hall. Acting President A. S. Comstock presided.

CARRY STOMACH JOY IN YOUR VEST POCKET

ee & Osgood Have Such Faith in This Dyspepsia Remedy That They Guarantee It.

One of the greatest successes in the sale of medicine has been achieved by Mi-o-na, the standard dyspepsia remedy, and its sale is increasing so rapidly that Lee & Osgood, the popular druggists, have hard work to keep a stock on hand. It is very popular with bankers, ministers, lawyers and others whose business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry or other causes have found relief in this reliable remedy.

have found relief in this reliable remody.

Mi-o-na comes in tablet form and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take, gives quick relief and should help any case, no matter of how long a standing. This remedy has been so uniformly successful that Lee & Osgood will in future sell Mi-o-na under a positive guarantee to refund the money if it should not prove entirely satisfactory. No other dyspepsia medicine ever had a large enough percentage of cures so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the bestime to begin curing it. ing like conditions as New Britain. They got a complete set of facts and when these facts were laid before the

DEVELOPMENT COMMITEE

HELD INFORMAL DISCUSSION. President Cruttenden Presided at the Meeting Before Luncheon.

At a meeting of the Eastern Con-necticut Development committee held here at the Wauregan house on Friday morning at 11.30 o'clock, with Presi-dent J. T. Cruttenden presiding, there was an informal discussion of several topics of work in which the committee is interested. Senator John A. Weeks of Boston,

road system was next called upon. Mr. Call said that the industrial bu-reau of the New Haven system is one reau of the New Haven system is one of many and that they have a national association which holds very interesting meetings at stated intervals.

Regarding the location of new plants Mr. Call said that there are about 150 Chambers of Commerce in New England and if they each got even one new industry a year it would mean 150 new industrites a year for New England. He congratulated the who is a strong advocate of the res-toration of the merchant marine, sent a letter of regret that he could not at-tend the annual midwinter banquet. L. M. Crandall explained the method of teaching typewriting and stenography by music in the school of which he

is principal.

C. A. Call of Boston, a representative of the New Haven road, spoke briefly, saying that he would be heard from New England. He congratulated the local chamber on the methods it em-ployed in endeavoring to get new more at length at the luncheon which was to follow this meeting.

E. S. Doton made a report on the matter of essays. The local essays are to be judged by the presidents of the local chambers of commerce, county are to be supply as the local chambers of commerce, county are to be supply as the local chambers of commerce.

ty essays by county agents and eastern Connecticut by two county agents and Rev. J. R. Danforth of New London, and awards to be made at the January meeting of the development commit the things he wanted to do was to correct the impression of the pubtee.
F. C. Warner, county agent, invited all to attend the annual meeting of the County Improvement leasue here correct the impression of the public regarding the starting of the H. & A. company on the rifle contract. Men go over there and apply for work, I am told, he said, and don't get any, and then they say, well, they'll never get started. It takes time to get started. It takes time to get started. Mr. MacGregor spoke of the details of the drawings and specifications being made from the model and said that these have to be got the started with the model and said that these have to be got the started with the said that these have to be got the started with the said that the said the county improvement league here today (Saturday). He then spoke of the situation regarding the league in eastern Connecticut and western Rhode Island. The milk situation was particularly dwell upon. The Wind-ham county and Washignton. R. I. counties are taking hold of the milk the said the county improvement league here today (Saturday).
